## Mr. Gaurav Gill

Mr. Gaurav Gill is a Consultant Psychologist and a distinguished Body Language Expert and Statement Analyst with Manobal Foundation NGO working actively in the domain of anti-human trafficking, rescue operations of the victim, counselling, rehabilitation and repatriation of victims of trafficking.

He is widely recognized for his contributions in law enforcement training, forensic investigations, and mental health. He has delivered specialized workshops on Body Language, Deception Detection, and Investigative Interviewing for premier agencies including the Delhi Police, CBI-CFSL, CISF, RPF, GRP, and several state police academies across India.

With advanced international certifications in Body Language Analysis, Interrogation, and Deception Detection, he has trained police officers, forensic scientists, and judicial officials on identifying non-verbal cues, behavioral markers, and red flags in victims, witnesses, and perpetrators.

His expertise is frequently sought by leading institutions such as the National Forensic Sciences University, Rashtriya Raksha University, Christ University, O.P. Jindal Global University among many others.

As a trainer and speaker, Mr. Gill brings a rare blend of psychological insight and applied investigative skills, making him a sought-after expert in non-verbal communication.
