

Kamala Nehru College (KNC) has been committed to educating our students as constitutionally aware citizens and sensitize to their Fundamental rights and Duties. This vision has been endeavored by consistent efforts of various societies and departments under the leadership of our respected Principal Dr Kalpana Bakhuni and Convenors of respective societies. The National Service Scheme (NSS) unit of KNC is dedicated to creating a 'sense of patriotic commitment' for national development.

KNC is dedicated to educating gender equality in accordance with the Constitution and create a safe place to students of all gender. Its Women Development Cell (WDC) and Internal Complaint Committee (ICC) has conducted a series of events through the year to sensitise students about gender issue.

Our students have discovered creative means to represent India's diverse culture. The Shinning Society of KNC organizes different programmes that fosters peace, harmony and help students to understand the values of togetherness while respecting diversity for building a culture of peace. Many societies have organised community service programme to promote the ideals of the Constitution and Gandhi Study Circle has observed martyr's day in the college premises, in collaboration with three societies of the college namely Green Beans, Sangeetika and NSS to pay respect to the freedom fighters.
