Kamala Nehru College strives to promote participative learning, collaborative learning and experiential learning, along with promoting problem solving methodologies so that students achieve academic excellence and evolve as learned and responsible citizens.

FIELD TRIPS AND INDUSTRIAL VISITS

Field trips helps students get a practical understanding of different aspects related to their curriculum which stimulates their learning by making them more observant and interactive.

The Department of Commerce organises industry visits every year for its students. This gives them a practical exposure of business models and strategy designs. Such field trips help them in relating the concepts they study in theory with practice.

VISIT TO PARLE FACTORY (2019)

VISIT TO YAKULT FACTORY (2017)

VISIT TO MANUFACTURING PLANT OF NEOLITE- ZKW LIGHTINGS PVT. LTD. (2016)

The Department of History takes history both at the theoretical and practical levels with an aim to establish symbiotic relationship with monuments and historical sites. Goal is to make them understand the need to preserve the rich cultural past and to inculcate the need in the next generation. The Department has organised trips to historical places within and outside Delhi.

VISIT TO NATIONAL MUSEUM (2021)

EXCAVATION VISIT-PURANA QUILA

HERITAGE WALK (2019)

VISIT TO QUTUB COMPLEX 2017

The Department of Geography have organized a number of field trips for the students of B.A (Hons.) Geography and B.A. (Prog.). The field trip is incorporated in the CBCS syllabus as mandatory paper viz -- ‘Field Techniques and Survey based Project Report’, for the fulfilment of requirement of Bachelor of Arts degree. Students learn various dimensions of research methodology such as framing questionnaires, conducting face to face interviews, organizing focused group discussions, case studies and some core topographical mapping exercises using the apps and tools embedded in their smart phones.

Field Trips of B.A. Programme– 6th Semester, 3rd Year Course: Skill Enhancement Course
Paper Name: Field Techniques and Survey based Project Report (Practical)

STUDENTS CONDUCTING MARKET SURVEY AT OSIAN, JODHPUR (2019)

STUDENTS CONDUCTING TOURIST SURVEY AT MEHRANGARH FORT (2019)

SURVEYING THE LIVELIHOOD OF LOCAL COMMUNITY, JAIPUR (2020)

STUDENTS CONDUCTING SOCIO-ECONOMIC SURVEY IN JAIPUR (2020)

STUDENTS CONDUCTING MARKET SURVEY IN JAIPUR (2020)

B.A. (Hons.) Geography IV semester students conducted a study of Cultural Heritage and Livelihood of Udaipur and surrounding areas from 29 January to 2 February 2020. The students conducted field surveys in Nathdwara, Akola village, Chittorgarh fort and City Palace in Udaipur.

THE STUDENT GROUP IN CHITTORGARH, JANUARY 2020

IN CITY PALACE, UDAIPUR (2020)

B.A. (Hons.) Geography students of 3rd semester were taken on a field survey within Dehradun and parts of neighbouring districts in Uttarakhand between 27th of Feb and 2nd of March 2019. The field trip is incorporated in the CBCS syllabus as mandatory paper viz -- ‘Field Techniques and Survey based Project Report’, for the fulfilment of requirement of Bachelor of Arts degree. The field study designed to cover crucial themes of human geography linked with the environmental Geography and therefore focused on the topics related with socio economic aspects, environmental and sustainable tourism within the framework of natural environment of the Doon valley.

STUDENTS PARTICIPATING IN THE SURVEY (2019)

The Department of Geography organized a field trip for the students in 3rd Semester of 2016-19 batch, Geography (Hons.) and B.A, Program in March 2018. The trip had been organized around Chail; Shimla and Solan districts of Himachal Pradesh. The topics of the field study were focused on crucial themes of human geography titled - STATUS OF FARMING PRACTICES, SOCIO-ECONOMIC SITUATION AND TOURISM IN HIMACHAL PRADESH (CASE STUDY OF CHAIL AND KUFRI).The questionnaire based survey covered topics of study on ‘Practices and Prospects of Organic farming in Rural Hilly Terrains’, Sustainable Tourism: case of Nature and Adventure Tourism” , and “ Livelihood Structure of the Rural Inhabitants in Hilly Region”

PREPARATION AND FEEDBACK ON QUESTIONNAIRE BASED SURVEY (2018)

HOUSEHOLD SURVEY BEING CONDUCTED BY THE STUDENTS (2018)

Students learn through class presentations, regular tutorials, debates and discussions, group activities, community participation, survey and research based activities.

STUDENTS INTERACT IN CLASSROOM

STUDENTS MAKING GROUP PRESENTATION

STUDENTS HAVE ONE-ON-ONE DISCUSSION IN TUTORIAL CLASS

THE KAMALA NEHRU COLLEGE AND JNU-DISASTER RESEARCH PROGRAMME INITIATIVE

The Study was conducted in two phases covering residential/commercial and institutional areas with the objectives of identifying disaster prone areas due to land use changes, the compliance of construction codes and the community resilience factors. A dedicated team of young student researchers of KNC participated and filled in the questionnaires and observed the ground reality. The Programme concluded in 2017.

THE ENTREPRENEURSHIP CELL

Asar- The Entrepreneurship Cell' seeks to develop sustainable models, inculcate entrepreneurial skills, help improve quality of living and empowering the underprivileged section of the society. It started '**Project Kadam**', in 2017 to empower cobbler communities across Delhi-NCR by creating brand new slippers through donated denim.

There were six phases of the **Project-Primary Research; Product Development; Building a Network - Random Selection; Product Manufacturing; Market Channel; Feedback Loop**

The Project created widespread impact.

Waste management/ Environmental Impact: It managed to redirect 60kgs of denim from landfills helping in waste management as denim is a coagulant and contains a toxic blend of chemicals.

Economic Impact: It provided a sustainable source of income to the cobblers.

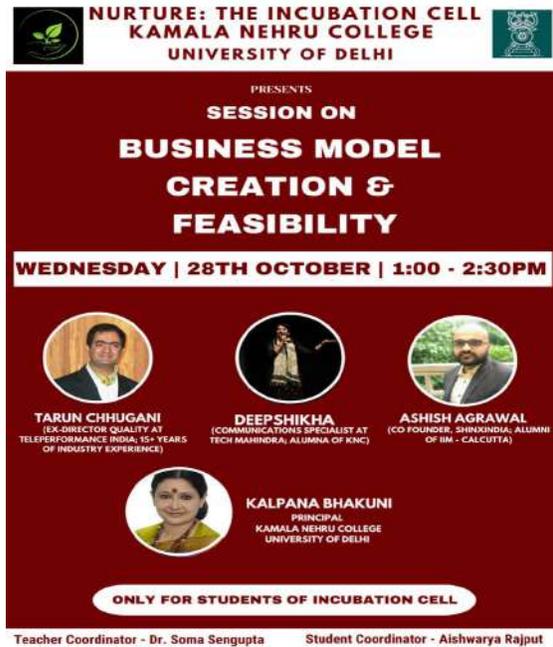

Social Impact: It has created better living conditions for the cobblers as well as their children.

STUDENTS INVOLVED IN THE PROJECT

NURTURE –THE INCUBATION CELL

The Incubation Cell promotes the spirit of entrepreneurship where the students are groomed to generate business ideas for start-ups and impart entrepreneurial skills. They conducted a number of activities to achieve this aim. They also collaborated with Industrial Incubation of Entrepreneurship and Skill Training Federation (IEST) to conduct a workshop for students.

4. Leadership,
5. Goal setting,
6. Project Management

Workshop II: Funding & its Elements

Day 3: Session III: 2 hrs

THE RESERACH, INNOVATION AND SUSTAINABLE EDUCATION CELL

It is the undergraduate research cell of Kamala Nehru College which provides a platform to the students for their pluralistic research ideas to flourish under the mentorship of teachers from various departments. It helps the students to develop problem solving skills, analytical thinking, resilience and time management skills under the mentorship of our highly motivated and skilled faculty members. It acts as a nodal point to connect and integrate research based findings with both classroom and beyond classroom teachings.

POSTER OF LECTURE AND WORKSHOP

The image shows two posters from the Research Innovation and Sustainable Education Cell (RISE) at Kamala Nehru College, University of Delhi. The left poster is for an introductory lecture titled "WHAT IS RESEARCH?" presented by Prof. Mohan Singh Panwar. It also mentions Dr. Kalpana Bhakuni and provides the date (29/10/20), time (2:30pm), and platform (Google Meet). The right poster is for a "DATA ANALYSIS WORKSHOP FOR YOUNG RESEARCHERS" presented by Dr. Rahul Sapkal. It provides the dates (2nd, 4th & 6th November 2020) and time (2:30-4:30PM). Both posters include contact information for the RISE Cell.

OPEN TO ALL KNC STUDENTS

ACADEMIC RESEARCH WRITING WEBINAR

The image is a screenshot of a PowerPoint slide titled "Some important tips for Proposal Writing...". The slide lists several key points for writing a research proposal. The background features a word cloud with the word "RESEARCH" prominently displayed in the center.

Research something that excites you..

Formulate clear research questions.

Don't build too many research questions..

Make sure that the data needed for your research is available/feasible

Make sure that the research methods are clearly described and are understandable

Think about the possible problems you might face during research..

List the limitations of the research..

Read and edit for your grammar, style and clarity of argument..

Get an opinion from a 3rd party and check if they can understand the idea from your proposal..

Some important tips for
Proposal Writing...

COLLEGE SOCIETIES

KNC takes pride in having a number of societies that provide opportunities to the students to engage in activities that are socially productive and empowers them to evolve as responsible citizens. These are The Women's Development Cell, Green Beans Society, Consumer Club, Book Club, Shining Network, Placement Cell, Entrepreneurship Cell, Gandhi Study Circle, Equal Opportunity Cell and Enabling Unit, Nurture-The Incubation Cell, The Civil Service Forum, The Research Innovation and Sustainable Education Cell.

There are various other performing arts societies that students can choose to be a part of according to their diverse interests. Each society organizes its own orientation programme for generating awareness and encouraging student participation in their respective activities. Societies hold regular events where intra and inter college competitions are organized, including the highlight of the year—the Annual Event of each society. Students are actively involved in organizing and participating in such events.

MULTIDISCIPLINARY NATIONAL CONFERENCE ON THE TOPIC “INVESTING IN OUR WATER FUTURE: OPPORTUNITIES AND CHALLENGES”

The IQAC of Kamala Nehru College in collaboration with National Water Mission, Ministry of Jal Shakti, Government of India held the Multidisciplinary Conference on the 9th and 10th March, 2021 on virtual mode. The Conference sought to address the problems related to water scarcity and mismanagement and its critical role for future sustainability of life. The wide participation of students ensured that the objectives and aims of the Conference were effectively deliberated upon and the message of water conservation was successfully delivered to the intended audience.

KEYNOTE SPEECH BY SHRI SUNEEL KUMAR ARORA, ADVISOR, NWM

TEACHNICAL SESSION

“GAIN FROM RAIN” WORKSHOP

Kamala Nehru College took the initiative to take the goal of water sufficiency and efficient utilization further by organizing a workshop on “Gain from Rain” with active participation of **National Service Scheme** and **Green Beans Society** in collaboration with the **Tarun Bharat Sangh** and **Indian National Trust for Art and Cultural Heritage (INTACH)**.

The workshop aimed at laying the foundation to enhance an understanding of the ecology from the rainwater harvesting and conservation point of view and develop value based conservative practices. The outcome of the workshop is directing its efforts to initiate actions among young participants of the Kamala Nehru College - to think, conceptualize, innovate and act to apply their own methods and “catch the rain, when it falls, where it falls”. The workshop intended to build the capacity of the students to visualize the actions they may take and models they may make towards the Rainwater Harvesting and Conservation.

PARTICIPANTS AT THE WORKSHOP

SPEAKER SHRI RAJENDRA SINGH, 'WATERMAN OF INDIA'

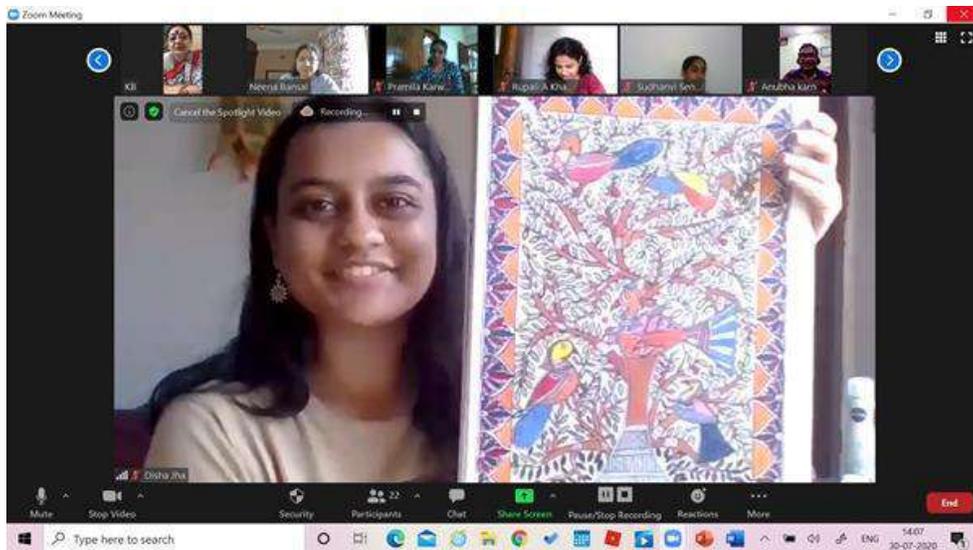

GAIN FROM RAIN WORKSHOP

The poster is for a workshop titled "Gain from Rain". At the top, it features logos for INTACH, Kamala Nehru College (University of Delhi), and Green Beans Society of KNC. The text reads: "KAMALA NEHRU COLLEGE NAAC Accredited with 'A' Grade University of Delhi In collaboration with INTACH and TARUN BHARAT SANGH With Active Participation of National Service Scheme & Green Beans Society of KNC In continuation with the two-day National Conference on 'INVESTING IN OUR WATER FUTURE: OPPORTUNITIES AND CHALLENGES' Organizes a Workshop on Gain from Rain". Below the title, there is a diagram with a cloud and rain icon, an umbrella icon, and a central oval labeled "Experts". Two circular portraits of experts are shown: Shri Rajendra Singh (Chairman, Tarun Bharat Sangh, Stockholm Water Prize Winner) and Shri Manu Bhatnagar (Principal Director, INTECH). The workshop details are: Date: 14/06/2021 (Monday), Time: 1:00 PM onwards, Online Platform- ZOOM. The convenors are Dr. Urna Sarkar Dutta and Mr. Joseph Kr. Ravi. The patron is Dr. Kalpana Bhakuni, Principal (Officiating). Contact email is gainfromrain@gmail.com. Registration link is <https://forms.gle/P489C9uTeGTpR8Jg7>. Logos for Green Beans Society of KNC and the University of Delhi are at the bottom.

IICD WORKSHOP

Kamala Nehru College, University of Delhi in collaboration with **Indian Institute of Craft & Design (IICD), Jaipur** had organized 16 days extensive learning, participative and knowledge gaining workshop on different Art Forms' such as Madhubani Painting ,Calligraphy, Landscape Painting during July-August, 2020. The Aim of the workshop was to gain knowledge about our own indigenous and traditional art forms such as Madhubani Paintings, a form of folk art of Bihar. The purpose was to use simple and easily available tools at our homes in the time of COVID'19 pandemic and to create an environment of learning with engagement of all participants. Participants had not just shared their art creations live to other participants and resource persons, but they also shared their life experiences related with the art forms.

CERTIFICATE COURSES

KNC has conducted a number of certificate courses which foster skill development among students.

- Certificate Course in GIS Mapping and Analysis with IEST as Knowledge Partner under UGC NSQF
- Certificate Course in Tourism and Travel Automation with Bird Academy as Knowledge Partner under UGC NSQF
- IIRS-ISRO Outreach Programmes
- Foundation Course in Yoga
- Computational Resources and Application for Sanskrit

KAMLA NEHRU COLLEGE
(UNIVERSITY OF DELHI)
Approved 'A' Grade (CGPA-3.35) by NAAC
Admission Open Till 25th March 2021

OFFERS A CERTIFICATE COURSE IN GIS MAPPING AND DATA ANALYSIS

INR 11800/-
Discounted Fee
INR 7700/-

Duration: 288 Hours (6 months)
Minimum Qualification: 12th (Ag. No Bar)
SEATS: 30 Only

WHAT WILL YOU LEARN?
Understanding map
Creation of maps in GIS platform
Geospatial data analysis
Concept of DBMS and Metadata
Data visualisation
Fundamental of Surveying
Modern surveying tools & techniques
Data acquisition platforms
Pre and Post surveying
Project execution

HIGHLIGHTS
Session by GIS experts
Interactive sessions
Practical based classes
Case studies
Field surveying
Regular Assessment
On completion of course candidate will receive a certificate from MCTPSC, NSDC.

Training & Assessment Partner
IEST Federation & MEPSC (SSC-NSDC)
