SOPHIA

SOCIETY OF PHILOSOPHERS IN AMERICA

Subject: Your application for a SOPHIA Seed Grant

January 29, 2018

Dear Dr. Nirban and members of the Shining Network,

On behalf of the Society of Philosophers in America (SOPHIA), I am pleased to inform you that SOPHIA's grants committee agreed unanimously to award a grant to support your chapter proposal. SOPHIA will award your group \$600 in support of your activities. Know in addition that if you are planning efforts that advance SOPHIA's mission, SOPHIA may on special occasion be able to offer some ad hoc grants of up to \$500, beyond the seed grant support.

The members of the grant committee and I are very excited about your proposal and your plans. We did gather a few thoughts to offer in thinking together about your proposal that we hope you will address or keep in mind as you execute your plan for this grant. They are as follows:

For the sake of building the relationship between the Shining Network's SOPHIA chapter and other groups located mostly in the U.S., we encourage you to make dedicated plans for some regular forms of engagement with other SOPHIA members and chapters, such as via online communication, reporting, photo sharing, and other forms of collaboration. These might include encouraging chapter members to submit to *Civil American*, engaging in an interview on Philosophy Bakes Bread, SOPHIA's radio show and podcast, and/or participating in a conversational online meeting. Communications could include engagement with SOPHIA materials and programs. We very much appreciate your idea of recognizing active local members, such as in a highlight or newsletter, with an award or form of recognition.

One committee member noted especially that she "love[s] that they are planning to go outside as part of the programming."

As you proceed with your plans, please remember to share with SOPHIA officers the news of your upcoming and past events that we can help you to promote or archive and show visitors to our Web site. Information on expectations and reporting are in the [application guidelines](#). We look forward to hearing all about your activities as your plans come together and as your network grows.

With sincere thanks for your application, congratulations, and best wishes,

Eric Thomas Weber, Ph.D.
