About the course

Kamala Nehru College (KNC) aims to promote inclusive education, upholding respect for human rights while creating a sensitised and equitable community. In collaboration with the Haryana Welfare Society for Persons with Speech and Hearing Impairment, KNC proposes to conduct “Basic Indian Sign Language Training” to facilitate basic communication skills and awareness related to the deaf community.

The training program intends to develop sensitisation and basic sign language communication skills and will cover the aspects related to basics of Indian Sign Language (ISL) vocabulary and communication as well as institutional inclusiveness.

After completing the ISL course at the beginners level, learners will be able to:

1. Sign conventional greetings and basic vocabulary in ISL.
2. Introduce themselves and ask and answer questions about personal details.
3. Shed misconceptions about Sign Language and Deaf People.
4. Ask and answer simple questions, initiate and respond to simple statements in areas of immediate need or on very familiar topics.

A certificate of completion will be awarded to participants upon successful completion of the course.

The classes will be held on Tuesdays and Thursdays (from 3pm - 4pm) in online mode.

One class, every 15 days, will be held in offline mode.

A total of 30 sessions will be conducted over three months.

The Zoom platform will be used for online classes.
