Admission process at the colleges after fifth cut-off list

If the seats remain vacant after fifth cut-off list, the following process shall be followed to fill vacant seats in the colleges.

i. The colleges shall notify the status of vacant seats (course-wise and category-wise) on the university portal as well as on their website and college notice board.

ii. Only those candidates who had registered earlier on the UG admission portal will be eligible for this admission process. The candidate is again required to apply online through UG admission portal and choose the course/college wherever seats are available and as per the notified schedule only.

iii. The application of such candidates will be received online only for 3 days in first phase and two days in second phase.

iv. The college will prepare a merit list of all candidates who have applied in the college online with their names, online registration number and Best Four/PCM/PCB etc. (whichever is applicable)for each course and display the complete merit list on its website and notice board.

v. The college will also notify the merit list with names and registration number of candidates eligible for admission against vacant seats.

vi. The admission of the candidates, whose names appear in the merit list prepared by the college for each course, will be admitted in next two days on merit basis only against vacant seats. The admission process will however be only online as earlier.

vii. Three such lists with names of eligible candidates for admission as per the seats available should be brought out according to the schedule announced by the University.

viii. After three such cut-offs, if the seats still remain vacant or the list has been exhausted, the college will again invite applications online through university portal as above(points 2 & 3).The subsequent admission process will be similar as notified (refer points 1 to 6).

ix. If there is more than one applicant with same ' Best Four'/PCM/PCB for only one seat in a course, then marks of aggregate of class XII (as per Annexure-I of Information Bulletin) must be considered. If these are also same, then all such candidates must be admitted.
