National Cadet Corps is a Tri-Services Organisation comprising the Army, Navy and Air Force, engaged in grooming the youth – 'The Leaders of Tomorrow' – into disciplined and patriotic citizens. The genesis of the NCC can be traced back to the First World War when the British created the University Corps as the second line of defence and to have a large pool of trained youth available for employment into the Armed Forces.

After independence the present day NCC under the Ministry of Defence came into existence on 16 April 1948 through NCC Act XXXI, 1948. NCC was formally inaugurated on 15th July 1948 as soon as the schools and colleges reopened after summer vacation. The Girls Division of the NCC was started in Jul 1949. In 1950 Air Wing was added on 01 Apr with one Air squadron each at Bombay and Kolkata. The Naval Wing of the NCC was raised in Jul 1952, thus completing the true representation of all services in the Corps. Presently, NCC has approximately 13 lakhs cadets under its fold.

The following types of centrally organised camps were conducted in 2012-13 where many brilliant cadets of Kamala Nehru College participated: Leadership Camps, Rock Climbing Camps, National Integration Camps, Thal Sainik Camp and Republic Day Camp.
