

Report 2015

The Commerce department organized its annual festival, Commxcelsior in the month of February 2015. The events included in this one-day festival were Quiz, Ad-Mad, Group Discussion, and Business plan—witnessing very wide and competitive participation from various Delhi University colleges.

The department had its orientation programme in the month of July to introduce freshers to faculty members, student conveners, and to inform them about various activities.

In the month of August, student-union elections within the department were conducted. A new team was formed to take charge of organising departmental events. An extended team – for various activities like Finance and Advertising – was also constituted to have more specialised inter/intra college events.

In our pursuit to sensitise and provide exposure on societal issues, a talk and interactive session was organised in the month of September on the topic: 'The Role of Student in Social Space' in association with Equal Opportunity Cell. Consultants from the company AT Kearney addressed the issue. The speakers were also the founding members of an NGO called CSG – Consulting for Social Good, India. It is run by undergraduate students of IIT Delhi that partners with non-profit organizations on short-term solution oriented projects. The students had a very fruitful interaction with the speakers and learned a lot from their experience
