

Department of Economics

Annual Activity Report: July 2022-June 2023

The Economics Department of Kamala Nehru College, University of Delhi launched its annual magazine "Ecocentric'22" on 13th June 2022. The magazine was on the topic 'The Economics of Sustainability' and was published by the Editorial Board of 21-22. The magazine aims to promote discussions and provoke deep thinking.

During 3-5 Nov 2022, the Department organised a three day workshop on "R programming" for its students. Dr. Samraj Sahay shared his valuable insights and teach the students how to do programming with R, conducting tests like Chi-Squared tests, testing of hypothesis, Concepts of probability and other statistics tools. Dr. Samraj Sahay is a Consulting Researcher and has been working in the field of Environment and Economic policy research since 2005. He has a PhD in Environmental Economics with a major focus on economics of climate change adaptation and its health effect from the Department of Business Economics, University of Delhi, India. The workshop had 80+ students who interacted and had a fruitful session.

Annual Freshers' Debate was held on 3rd February 2023, where vibrant discussion ensued on the topic "Should India Actively Promote Tourism & Hospitality?" This dynamic exchange of ideas set a high standard for the intellectual engagements that followed.

Ecophoria, the Annual Day held on 3rd April 2023, marked a pivotal moment with an illuminating lecture delivered by none other than Professor Jayan Jose Thomas from the esteemed Indian Institute of Technology Delhi. His expertise in macroeconomic issues, especially vital for developing nations, left an indelible mark on the eager minds in attendance.

The collaborative spirit continued to thrive with a webinar on 9th April 2023, a strategic partnership between Kamala Nehru College Economics Department and Economics Forever, a governmental initiative. Renowned educator Samdish D Sharma took the reins, guiding students through the intricate strategies necessary for success in competitive exams such as the UPSC/IES. This webinar not only imparted knowledge but also instilled a sense of confidence and preparedness among the participants.
