

Report 2013-2014

The academic session began with a lecture by Dr. R.B.Singh, Head of Department, Geography, Delhi School of Economics on the topic 'East Japan Tsunami Disaster'. The students celebrated Teacher's Day with cultural performances for their teachers. Students have also been engaged with a project by *Here Map* for updating maps, with Dr. Renu Malhotra as mentor. An educational field trip for second year students was organized by Dr. Kalpana Bhakuni, Dr. Ranjana Gera and Dr. Nitasha Malhotra to Pratapgarh farm to study farm tourism and also to Cyber City, Gurgaon for the survey of industrial growth. A wallpaper competition had been organized in the department by Dr. Azka Kamil on the themes 'Food security challenges in India', 'Impact of Uttarakhand disaster' and 'Understanding historical geography through maps'. The department has also launched its facebook page which constitutes of information on the intra- and inter-departmental activities as well as references and links to e-books, and an alumni page.
