

KAMALA NEHRU COLLEGE

DEPARTMENT OF GEOGRAPHY

Department of Geography of Kamala Nehru College organized many events in the year 2021.

FAREWELL 2021

The first was the virtual farewell program to bid adieu to the batch of 2021 on 26th April 2021 on zoom platform. The event was conducted in two segments. The first half of the event was a career talk by the alumni of the department who have been working in various fields of geography. The first talk was presented by Ms. Richa Chaudhary who is a Social Development Professional and the second talk was presented by Ms. Disha Dwivedi who is currently working as a Disaster Risk Management Professional with government, non-government and private sectors. The second segment of the program was the cultural event which was organized by the 1st and 2nd year students under the able guidance of the teachers. It included some fun dances and songs, emotional and inspiring poems and some fun-filled games. The event ended with the to-be graduates sharing their experiences at college and the memories they made.

WORKSHOP ON DIGITAL IMAGE PROCESSING

There was a two day workshop organized by the department of geography on “Digital Image Processing”. The workshop was conducted on 27th August and 1st September between 2:00 to 4:00PM. The resource person for the workshop, Dr. Rakesh Arya, is a Technical Expert in Remote Sensing and GIS Mapping at the Centre for the study of Regional Development, JNU. Students along with the faculty members of the department attended the two day workshop to understand the basic concepts of remote sensing along with processing the satellite images digitally. The workshop was of great help for students as remote sensing and GIS forms an integral part of the discipline of geography and will further help students during their higher studies.

TEACHER'S DAY

The third virtual program was organized on 3rd September 2021 on account of teacher's day to pay our respect and gratitude towards our respected teachers on Google meet platform. The program consisted different performances prepared by the students of 2nd and 3rd year of the department. There were melodious songs, inspirational poems meant to thank our teachers for everything they do for us, dance performances and some fun games. At the end the vote of thanks was delivered by one of the students thanking our respected principal ma'am, all the faculty members, participants, organizing team and the audience. All the teachers were sent a token of love after the program to make them feel respected and to deliver the message that we are thankful to them for their each and every effort.

GEOGRAPHY FEST

Department of geography, Kamala Nehru College organized a virtual geography fest "Geographica" on 15th November 2021. The event was conducted in segments. The first segment of the event was a web interaction on geoinformatics and disaster management, bedrock of community preparedness. Prof. Pawan K Joshi, chairperson, special center for disaster research, JNU and professor at school of environmental science, JNU was the guest speaker for this web interaction. The segment ended with a question-answer round.

This was followed by a dance performance by the students of the geography department on the theme of nature.

The second segment comprised of inter-college competitions. First event was- 'Made in India', dance and drama competition on the theme 'diversity of India' between 12:00pm to 1:00pm. Next event was 'Rags to Riches', upcycled art competition on the theme- 'sustainability in everyday lives' from 1:00pm onwards. Next event was 'let's get

quizzical', a quiz competition from 1:30pm. This was followed by the quiz competition; there was a Debate competition from 2:30pm on the topic- 'Rewinding v/s Economic development! What should post-covid India select?' Next event was tribal canvas from 3:00pm, which was a face painting competition on the theme of tribal tradition. Next event- 'geo exploring your neighbor', a videography competition started from 3:30pm. At last we had our department competition "geographers got talent". In this competition we were able to see various different talents from our Geography department of Kamala Nehru College.
