Enigma- the Western Dance Society of Kamala Nehru College stands for versatility, passion, dedication, and above all love for dance. Being a member of a society requires a lot of hardwork and entails a lot of sacrifice. One needs to develop a well-rounded personality in order to be able to balance both, academics as well as extra curricular activities. There is emphasis on teamwork and a culture which promotes respect for one another and inculcates responsibility and leadership qualities. Enigma teaches its members the importance of discipline which is not only of utmost importance during rehearsals but also in everyday life. Social hierarchies which are deeply ingrained in society are almost non-existent in Enigma. Opinions are freely voiced and the functioning is democratic in nature.

Enigma aims to bring together experienced dancers as well as dance enthusiasts (who did not previously have opportunities to obtain training) and transforms them into a team of dancers with innumerable experiences and opportunities to grow. Enigma is a forum which brings together various dance forms – from Bollywood to Hip-hop and everything-in-between. It also introduces dance styles which are still unrecognised in India like waacking, dancehall, and house-on-stage.

Enigma had an exciting and fulfilling year 2015. The team performed exceedingly well in various colleges and won laurels for Kamala Nehru College. The society achieved first-position in various colleges like IIITD, DDUC, IIT, Gargi and many more. We were runners-up in NSIT, UCMS, Jaypee and Bhagat Singh and second runners-up in Maitreyi, DRC and Miranda college.

Enigma represented Kamala Nehru College throughout the Delhi University circuit by extensive participation in colleges like JMC, LSR, IP, Hindu, and Hansraj. They even participated in events organised by other universities like Amity, IP, and Ambedkar. Being one of the favourite societies of the college, Enigma never fails to leave the audience of KNC awestruck by actively performing at college events such as Orientation Day, Diwali Mela, Freshers, and Farewell. The annual production of the year 2014-15 has been widely appreciated for its style, charisma, technique, and high standards of dance.
