

Report 2012-13

Faculty Convener: Ms. Azka Kamil

Student Conveners: Shivangi Tripathi and Nikita Thapar

ENIGMA- the Western Dance Society of Kamala Nehru College is put together by hard core dedicated dance lovers, individuals who take every aspect of dance very seriously. The team believes in winning and putting their *most en pointe* foot forward wherever they perform.

The Hindustan Times has declared ENIGMA as one of the top five dance teams of Delhi University of all time, calling us the 'team to beat'. Where every aspect of the performance and show is handled by the team members themselves and no outside help is taken whatsoever, we can proudly say we are the first and now only one of two self-choreographed teams in Delhi University. The teammates choreograph, style, design, create the sound track, and produce the entire piece all through their own hard work, talent and conviction.

The cultural festivals organized at LSR, Gargi, IP College for women, Sri Venkateshwara, Maitreyi, MotiLal Nehru, Ram Lal Anand, JIMS, ISBF, and Delhi's biggest youth festival DDF too has been a part of Enigma's winning account over the years. Enigma has also won the regional competition held at BITS, Pilani holding strong on to its position as the best dance society. The team has also performed at Youth Nexus, Delhi University's biggest festival, garnering numerous accolades!

The team, saluting the very essence of womanhood amalgamates it with dance, to create the kind of piece that displays the passion, dedication, and joy for dance that pulsates through the team. It's not only about memorizing a series of steps, or having the right music and wearing the right costumes; we believe it is our perseverance, fortitude, and ability to think outside the box that has led to our title of the team that defines all others. Delhi Dance Fever recently gave us the title of 'The Defined'.

The team has just started its journey this year again, and what a start it is! We were recently given the highest honour a Delhi University team could hope for and were named the champions in the dance competition hosted by Mood Indigo, IIT Bombay's cultural festival, the largest cultural festival in Asia.

We are also proud to say that our dance event, 'All That Jazz' is one of the most awaited competitions of the season. With participation from various Delhi University colleges as well as other private colleges across the Delhi NCR; competition is fierce and fan following indescribable!
