

Report 2012-13

Faculty Convener: Ms. Shikha Prakash

The Fine arts society, Luminoso during the academic year 2012-13 performed at various levels and contributed in enhancing the aesthetic beauty of the college. The year activities began with the the exhibition/sale of art products made by our own students. Around 25 students exhibited a variety of art forms such as paintings like Madhubani, Gond, Coffee, Dot, Batik etc. and other crafts including hand painted wine bottles, greeting cards, book-marks, clay figurines, lamps, papiermache, coasters, folders and pen stands. It was hugely appreciated both by the students and the teaching and non-teaching staff of the college.

As the usual activity society members helped different departments and societies of college for the art work required by them for seminars, festivals etc. Continuing with the fresco work we are currently painting walls in the student activity area and are in the process of doing the decoration work required for the college annual festival Ullas.
