Kaleidoscope, the quiz society of KNC brings together young minds to jolt their brilliant brains for quizzing and participate in various quiz competitions in college and inter-college competitions. The society organizes quizzes at various levels each year. The quiz society started off this year with an intra-college quiz to select quizzers who then become an integral part of the society. The college quiz team participated in various inter-college competitions of Delhi University . Almost all departments organize an inter college quizzing competition during their annual fests in which participation is seen from universities across Delhi . The society also organizes another annual event 'Inquizzitive' a quiz during Ullas, the annual festival of KNC with many teams from the university participating in it. From this year, the society has also started with an annual quizzing event 'Quizzopolis', an entire day dedicated to quizzes. This year the event saw a tremendous turn out and we hope it grows to be even bigger in the coming years.
