

Report: 2011-2012

The Snapshots Society organised a Photography Contest/Exhibition on 22 Mar, 2012. There were more than 18 students who participated by submitting three photos each in the Photography Contest. The entries were displayed through the exhibition and judged by Mr. Pramod Nambiar, a reputed professional photographer and freelance journalist. Afterwards the students had an interactive session with Mr. Nambiar. The entries covered a wide range of subjects with conventional and modern styles. They were in stark black and white, subtle sepia hues and vibrant colours. The best three positions were awarded on the occasion.
