

## **Report 2013-14**

**Faculty Convener: Dr. Ambar Ahmad**

The *Women's Development Cell* organized an orientation for the new students in which issues related to structural and overt violence against women were discussed. In a debate competition sponsored by the *Centre for Social Research*, students debated whether pre-natal diagnostic testing should be allowed. Students also took part in a poster making competition titled *Meri Shakti, Meri Beti*, on the issue of sex selective abortion of female fetuses.
