

Report 2015

Faculty Convener: Ms. Shikha Prakash and Victoria Potshangbam

Luminoso began the July 2015 academic session with a workshop on clay sculpting held on 8th August, 2015. This workshop was conducted by Ms. Sonika Sri, who is an architect by profession and is keenly interested in a variety of fine arts. Our students participated in this hands-on workshop and learned a great deal. We held our annual craft exhibition/sale, on 16th October, 2015. This time our event was in collaboration with the NSS as a part of their Diwali Mela. Our current and ex-students had displayed a huge variety of hand crafted items including painting, greeting cards, gift envelopes, bookmarks, lamps, coasters, trays, pottery, jewellery, baked goodies etc. Our motto of turning student's "Passion into Profession" is faring well with the hard efforts put in by our students. Currently we are busy planning decoration work for our annual festival Ullas 2016.
