

Online Talk on Women's Entrepreneurship

The Department of Mathematics, Kamala Nehru College, University of Delhi, under the aegis of Internal Quality Assurance Cell (IQAC), organized an online talk on “**Women's Entrepreneurship**” on March 22, 2025.

The session featured Ms. Khushi Shah, a dynamic young entrepreneur and the Founder and CEO of Drizzl. She has been recognized by various prominent media platforms, including *The Week*, *25 News*, and *Science for Society*, among others.

Ms. Shah shared her inspiring entrepreneurial journey, offering insightful advice and motivation to the participants. The session concluded with an engaging Q&A round, during which she interacted with the audience and addressed their queries.

The talk was attended by more than 100 participants and was hosted by Ms. Srijasri, a second-year student of B.Sc. (Hons.) Mathematics.

Dr. Pooja, the IQAC Coordinator, and Dr. Ankur Raj, the Teacher Coordinator, expressed their heartfelt gratitude to the speaker for delivering such a meaningful and enriching session.

The event was a resounding success and received an overwhelmingly positive response from the students.
