16th Dr. K.K Gorowara Annual Memorial Public Lecture -2020

In the honour of our respected founder Principal, Late Dr. K.K Gorowara, we hold Dr. K.K. Gorowara Memorial Annual Public Lecture Series. Each year we invite eminent persons from various fields who have made a difference to our society by their unique body of work. Our purpose is to provide a forum where dignitaries could share their knowledge with students, sensitizing them towards the challenges of our present society and their role as conscious citizens.

The 16th Dr. K.K Gorowara Memorial Annual Public Lecture 2020 was organized in Online mode due to the Covid 19 times. It was held on **29th September at 3 pm** with **Ms. Sminu Jindal**, the Managing Director of Jindal SAW Limited, and Founder-Chairperson of Svayam. Svayam is an initiative of Sminu Jindal Trust & India's leading accessibility Rights organization. Ms Jindal inspired the students with her presence. Despite the great tragedy that brought her on the wheelchair, she led herself to be the first lady in India to break the glass ceiling in the Steel, Oil and Gas sector. She spoke on **‘Thinking out of the Box’**.

The catchphrase in her speech was ‘accessibility is not a privilege or any favour; it is our right’.

About - Ms Sminu Jindal

Ms Sminu Jindal, a visionary entrepreneur is the Managing Director of Jindal SAW Limited and has made a historic contribution in the Indian steel industry. Under her leadership, Jindal SAW has seen immense growth which continuously sets new benchmarks. She envisions to build a strong foundation for secure and sustainable future. Jindal SAW’s subsidiary, JITF, runs India’s leading and the most efficient waste-to-energy plant in Delhi. It has generated 21MW of energy by consuming 4 million metric tons of municipal waste in the last six years. JITF is also in charge of prestigious waste management projects in different states of India.

Ms. Jindal is also the founder and Chairperson of Svayam – an accessibility rights organization. In the past two decades, Svayam has worked with several ministries, departments and organizations to bring about path-breaking modifications in the accessibility landscape of India. She has received several awards for her remarkable contributions to the society.

She continues to be the chairperson of the Assocham National Council on Iron and Steel since the year 2007.
